Projects

1. **Personal Portfolio (HTML/CSS/JavaScript)**
   Designed and developed a personal portfolio website using HTML, CSS and JavaScript to showcase projects and skills, using animations for effects and transitions for visual effects. 🔗

2. **E-commerce Website (React.js)**
   Developed a e-commerce website with React.js, enabling users to browse products, add items to a cart and favorites, integrated API calls for product data, and used React Hooks and styled components for enhanced UI/UX. 🔗

3. **Laghubitta News Website (React.js)**
   Developed a dynamic news website with React.js, letting users browse the latest articles by category and fetch real-time updates via an API. 🔗

4. **Banking News Website (Next.js)**
   Developed a dynamic news website using Next.js for SEO optimization and used Bootstrap for a clean, responsive design. 🔗

5. **Laundry Website (Next.js)**
   Developed a visually appealing laundry website with Next.js, focusing on beautiful design, routing, and rendering concepts for a seamless user experience. 🔗

Certifications

Web designer – Broadway Infosys, [2025]

Languages

- English, Nepali and Hindi
